23rd IAHR - APD

The 23rd IAHR-APD Congress will be organized by the Department of Ocean Engineering, Indian Institute of Technology Madras, Chennai, with the support of the allied departments of the institute.

The Indian Institute of Technology Madras (IIT Madras) was founded in the year 1959. It is situated in the south Indian city Chennai (formerly known as Madras). The Institute is a self-contained, beautiful, green residential campus of about 250 hectares with all the modern amenities and support services. The Conference will be organized by Department of Ocean Engineering which is a centre of excellence in the field of Coastal, Ocean, port Engineering, Inland navigation, sedimentation problems and allied departments are involved in a variety of problems related to Fluid Mechanics, Hydraulics, water resources and Management.

Sponsorship & Exhibition Opportunities

The sponsorship packages are designed for industry leaders and provides significant impact through pervasive affiliation with the convention and key positioning for you as the sponsor. The conference will have opportunity to showcase ocean engineering and related products through an in-person and on-line (virtual) exhibition. You are invited to exhibit your product or service at this prestigious event, happening for the first time in India.
