

Indian Institute of Technology

Course Details Report

Course No: WS1302

Course Name: Workshop-II

Course Type:

Others

Description:

- Module – 1 Fitting
- Module – 2 Turning
- Module – 3 Milling & Shaping
- Module – 4 Welding
- Module – 5 Carpentry
- Module – 6 FRP, Plastics, Pneumatics & hydraulics
- Module – 7 Electrical
- Module – 8 Electronics
- Module – 9 Quality Control & Communication Lab
- Module –10 Smithy
- Module - 11 Foundry
- Module –12 Tool Room & Gear Shop

Aerospace Engg :-

Electricals, Electronics, QC & Communication, Tool Room & Gear Shop

Bio-Technology :-

Welding, FRP , Plastics, Pneumatics & Hydraulics, QC & Communication, Tool Room & Gear Shop

Chemical Engg :-

Carpentry, FRP, Plastics, Pneumatics & Hydraulics, Electrical, Foundry

Civil Engg :-

Welding, Carpentry, FRP Plastics, Pneumatics & Hydraulics, QC & Communication

Computer Science :-

Turning, Milling & Shaping, Carpentry, FRP, Plastics, Pneumatics & Hydraulics

Electrical Engg :-

Turning, Milling & Shaping, Welding, Carpentry

Engineering Physics :-

Turning, Milling & Shaping, Welding, Carpentry

Mechanical Engineering :-

Milling & Shaping, FRP, Plastics, Pneumatics & Hydraulics, Electrical & Electronics.

Metallurgical &

Materials Engg :-

Turning, FRP, Plastics, Pneumatics & Hydraulics, Electronics, QC & Communication

Naval Architecture &

Ocean Engineering :-

Turning, Milling & Shapping, QC & Communication, Foundry

Course Content:

-

Text Books:

-

Reference Books:

-
